Head Teacher Message

THANK YOU for your generosity!

Thank you so much for your generosity last week to support those less fortunate. The local food bank was highly delighted with all the donated tins and food, so thank you!

Thank you to all those that sponsored me to run the half marathon – I did it in two and a half hours !

Thank you to everyone who donated cakes and came along to the Macmillan Coffee Morning , we raised an amazing **£140.00**.

Parents Evenings

On Monday 14th October and Tuesday 15th October we are holding our parent and teacher meetings after school until 6.00pm. This is an ideal opportunity to see how well your child is doing, look through your child's books , talk with their class teacher and find out how to support your child at home with their learning.

Please speak directly to your child's class teacher to book an appointment before or after school next week.

Children in Ks2 will bring a letter home for you to complete and return to book your appointment , as we are aware you may not collect your child directly from school !

Thank you
Ms. Sarah Lee

Keeping Safe On Line

During assemblies this week, we have been talking about keeping safe online. The children are very knowledgeable about what to do.

Accompanying this newsletter is a checklist for parents to help you support your child to be safe when online and some useful information about internet safety.

The diagram below has been released by Action for Children to help support parents to keep their children safe on various social media platforms. I hope you find it useful.
